REQUEST DATA EMAIL - BEFORE FEASIBILITY (CLIENT)

Dear {{Customer_Name}},

Thank you for considering us for this project.

We have received your request and started reviewing the specifications.

To prepare an accurate quotation for you, we need the following missing details:

{{#Missing_Data_List}}

- **Technical Drawing:** Drawing or schematic file (PDF, PNG, or CAD)
- **Part Number:** Part identifier or drawing reference number
- **Volume / EAU:** Target batch quantity or Estimated Annual Usage
- **Material Specification:** Required material grade, alloy, or finish
- **Key Dimensions & Tolerances:** Critical dimensional requirements or tolerance ranges {{/Missing_Data_List}}

Please provide this information by replying to this email. As soon as we receive it, we will proceed with your quote.

Best regards,

INDUSTRIAL SPRING CORPORATION

NOT FEASIBLE- DECLINE EMAIL (CLIENT)

Dear {{Customer_Name}},

Thank you for reaching out and sharing your request with us.

After reviewing your technical specifications, we regret to inform you that we are unable to quote this project, as the required parameters fall outside our current manufacturing capabilities.

Thank you for considering us, and please let us know if we can assist with future projects.

Best regards,

INDUSTRIAL SPRING CORPORATION
